

DUNCHURCH

1939-1945

List of Residents taken from the 1939 Register. About 70% complete.

Data collected in England and Wales on 29 September 1939.

Nine residents of the village in that survey, later died in the war, and are remembered on the village memorial.

Over 50 evacuees from the first officially organised evacuation of 1 September 1939 are recorded. They came from the Willesden area, near London.

School children aged between 5 and 13 years.

Mothers as helpers.

Middlesex County Council officers and school teachers.

pw. May 2020.

created by Paul Waller
