FODS GARDENING GROUP MARCH ON!

FODS Gardening Group was out again this weekend (Sunday morning) working their magic transforming our village. There is a lot to do but many hands make light work and such was achieved by 7 stalwarts this week.

Focusing on the village green, the Library area, the Coventry Road up to the old Post Office and the road adjacent to The

Old Halt the results are spectacular.

This is the first time many of us have seen this draft design.

This draft marked in red as not meeting requirements, so perhaps an explanation from the Parish Councillor in charge of this long awaited project could update villagers on progress.

We will ask to have this item put on the next DPC meetings agenda in order that progress can be reported at each meeting

The Parish Council thatched notice board also came under the attention of our FODS cleaning department now looking pristine!

Thank you fabulous FODS GG!!!

You are turning Dunchurch into the well cared for place the community want to see.

FODS AT THE FESTIVAL!

Saturday 15th June

11am start – 4pm finish

We have a pop up gazebo which we will locate next to the FODS Neighbourhood Watch trailer on the Sportsfield.

The gazebo will display the work of FODS on a storyboard and we will also be

running a 'pick a Plonk' fundraiser.

We will need some help on the day (4 people) putting up our pop up gazebo (claiming to be 60 seconds!) and setting up our FODS promotion storyboard along with volunteers to man the stall. If we have a total of 8 helpers it will make easy work/short stints so that all can also enjoy the festival activities as well. Karen and Roger Dent have already signed up for the occasion so 6 more volunteers are needed. If you can help, please come forward and contact Barbara 07837 182114

info@vghrugby.co.uk

It will be a wonderful event to be part of.
