"Rainbows in the Rain"

The 1st Dunchurch Rainbow Group braved the rain and cold on Wednesday 5th November to plant crocus bulbs on

the village green.

Armed with forks and trowels and assisted by parents and Friends of Dunchurch, the group planted 155 bulbs around the Stocks.

The girls took instruction well and made sure the bulbs weren't upside down as they were planted!!

So, Dunchurch keep your fingers crossed for a beautiful display of crocuses in the Spring.

The Rainbows will also be planting up a wheelbarrow display next Summer to enhance the village for our 2020 Heart of England, Britain in Bloom campaign.

We would like to extend the invitation to other local groups to join in with planting up a wheelbarrow display.

If you would like further information on the 1st Dunchurch Rainbow Group please contact

Gardening on Wheels!

Any old wheelbarrows?

An important contribution to our 2019 Gold winning floral displays were the fabulous, much admired and appreciated wheel barrows which were planted and

looked after by various village groups and residents.

As we move forward and represent Heart of England in the UK National Final competition, we would like to expand this project for our 2020 planting scheme. If you would like to participate by planting your own wheelbarrow, or if you have a wheelbarrow that is no longer in use we can give it a new lease of life and can arrange collection please e mail us on friendsofdunchurch@gmail.com or telephone Barbara on 07837 182114

DONATION TO FODS

Many thanks to Jane Ashmore and Tom Comerford for their recent generous donation to FODS – very much appreciated!

THANK YOU

Village Nativity

Don't forget to make a note in your diary to attend the annual outdoor nativity and lighting switch on of the large village Christmas tree, **4pm** on **December 1st** outside St Peter's Church on the Memorial green, Daventry Road. This is a wonderful village tradition that has been heralding the start of the Christmas festivities in Dunchurch for many years and involves not only the churches but also many village organisations including the Festival Group and village schools.
